The image consists of two screenshots of a software interface. The top screenshot shows a light blue background with the text 'Select starting level:' on the left. To the right is a dropdown menu with a white background and a blue border. The menu is open, showing a list of options: 'Level 1' (highlighted in blue), 'Level 2', 'Level 3', 'Level 4', and 'Level 5'. A 'Confirm' button is partially visible below the dropdown. The bottom screenshot shows the same interface, but the dropdown menu is closed, and the selected option 'Level 1' is visible in the dropdown's header. The 'Confirm' button is now fully visible and centered below the dropdown.
